Dear Colleagues

22nd WORLD SCOUT JAMBOREE

The National office is in receipt of the following payments (jamboree deposits) but have not yet received any application forms from the individuals. We are not in a position to follow up with the scouts as we do not have contact details nor do we know which group/province they belong to. We are appealing to you to assist us in this regard. In addition, we are aware that some Provinces are in receipt of application forms which were submitted a while back. Please send this to National as a matter of urgency.
