To: The National Scout Council

### **MOTION NO: 06/2010**

**Title: Court of Honour**

#### **PROPOSAL**

**Proposed that:** Rule 652.4 of PO & R be changed to read:

652.4 The Court of Honour meets six times a year ~~monthly and at such other times as may be more often if necessary.~~

#### **MOTIVATION**

Majority of troops Court of Honours only meet 4 of less time a year. This is vital like in the patrol system. We need to encourage a minimum amount of meeting to be effect and no consideration was take with the school holiday and the impact it has had in making month meeting a reality. Therefore an attitude of we have one when we fell like it has persisted for a numbers of years. The amount on six meeting also bring a clear defined tagged number and support the star awards Troop and Patrol evaluation
