Title: Public Health Award - Rovers

PROPOSAL

Proposal for a new Rover Award called "**PUBLIC HEALTH**":

Requirements:

1. Demonstrate a knowledge of the causes, prevention, symptoms and treatment of HIV/AIDS and one other: Cancer; Tuberculosis; Diabetes; Malaria; Cholera.
2. From the two options selected above, run an awareness campaign in your community , e.g. schools, community centres, shopping centres. This campaign should be agreed upon in consultation with the RSL or Crew Council.
3. Volunteer for 40 hours at a hospital/clinic/treatment centre where patients for one or more of these conditions are treated/ cared for.

Award:

MOTIVATION

SASA has numerous campaigns and partnerships to address the awareness of HIV/AIDS etc. As such, the Rover Award system does not cater for any Public Health related matters. By introducing this award, Rovers will be able to render service to the community, while educating others.
